

ADVANTAGE ACCOUNT

1.25%* – All your money deserves to grow

SECURE, EASY ACCESS AND GROWTH

Most Canadians have a chequing account that provides secure and easy access to their money. However, in exchange, most of us have given up the potential for growth by accepting a very low rate of interest. With Manulife Bank's Advantage Account, you no longer need to make this compromise.

GET MORE FOR YOUR MONEY

Advantage Account provides you with secure and flexible options to access your money that you normally receive from a chequing account and it also includes the growth you usually only get from a Guaranteed Investment Certificate (GIC) or Money Market fund. With Advantage Account you get:

- The high interest you'd expect from a savings account with no monthly account fees.

- Free funds transfers, incoming *Interac*® e-Transfers, cheque writing, pre-authorized payments and access to THE EXCHANGE¹ ABM network.
- Convenient chequing account features that make everyday access to your money easy, including *Interac*® debit card purchases, automatic bank machine (ABM) cash withdrawals, bill payments and *Interac*® e-Transfer. Plus, if your balance is \$1,000 or higher, you get unlimited everyday banking for free.

Be confident that your money is secure. Manulife Bank² is a wholly-owned subsidiary of Manulife, one of Canada's largest and most respected financial institutions.

You can have all this with Advantage Account.

Manulife Bank reserves the right to restrict deposits greater than \$2 million per client. For amounts greater than \$2 million or for more information, please contact Manulife Bank at 1-877-765-2265.

* As at January 26, 2018, a variable annual interest rate of 1.25% is applied to all funds in the account. Interest is calculated on the total daily closing balance and paid monthly. Rate is subject to change without notice.
